

Board Meeting Highlights-February, 2011

- GOVERNANCE**

NSORRA is currently working with Health and Wellness (formerly HPP) advisors to fine tune our objectives and strategically implement our mandate for Nova Scotia Riders. There will be a special meeting with the advisors April 7th. Our next regular Board meeting will be March 24th.
- MEMBERSHIP**

NSORRA Membership Drive is in top gear for 2011. As an added benefit one lucky NSORRA member will win a 2010 Suzuki DRZ 70. The bike will be at the Halifax Sports and RV show (March 11-13th). All 2011 members that join before our June AGM will be entered into the draw. Last year NSORRA had 300 members by the end of the year so your odds of winning are pretty good. Come on out to the show and check it out.
- EVENTS**

NSORRA is finalizing our 2011 Events Schedule this week. It will be published for the Sport and RV show this weekend. The event list will be maintained on our website so check regularly for updates as the year rolls along.
- TRAILS**

NSORRA is continueing to work with Lunenburg Municipality on a new riding area in Lunenburg Co. Garnet toured the site with Laura Barkhouse and things are looking very good to have a new site developed with the Municipality on a 100 acre piece of land. Hopefully we will be able to have similar success in HRM during 2011.
