

Board Meeting Highlights-April, 2011

- Governance**

NSORRA met with Blaise Landry and Dawn Stegen, Health and Wellness (formerly HPP) at our April 7th meeting to strategically identify and implement our mandate for the Nova Scotia Off Road Riders Association. Our next Board meeting is going to be in Cape Breton in May in conjunction with the Craigmere Creek opening.
- Membership**

Membership numbers are ahead of projections which is great news and should further grow as the opening events are held in May and June.
- Events-**

The DualSport ride/training day is on for this Sunday (April 17th).
The Debert ride was cancelled but 8 members visited the area to take an inventory of riding trails.
All the opening events are still on schedule but please check the NSORRA web page for updates.
- Trails-**

NSORRA board members were out in [Debert on Sunday \(10th\)](#) to inspect a site and look at ways to assist the municipality(CORDA) with a 'Garbage Clean up program' and site consultation through NSORRA (Garnet) with regard to proper trail usage.
NSORRA is continuing to work with Lunenburg Municipality on their [New Germany](#) site. Laura, Garnet and Matt to walk the site in April and start to map out the areas potential.
[HRM](#). Continuing talks with HRM to find appropriate sites.
- Other-**

NSORRA is increasing a focus on bringing reasonably cost dirt bike insurance for our Nova Scotians. Michael will be incorporating them into a letter to the Superintdant of Insurance and the rate review board.
